Please have the ASAs that you supervise check their files and see whether they have any cases on their call where Chicago Police Officer Sean Dailey, Star# 10890, 16<sup>th</sup> District is a witness. With respect to felony cases, the MIS Department is doing a computer search to see whether Officer Dailey is a witness on any pending felony cases. Once I have the results of that search, I will forward them to each of you. Please don't call MIS to have another list run. Units that do not have a computer case management system will have to check their files to determine whether Officer Dailey is a witness.

If he is a witness on the case, please determine whether the case can be proved without calling him as a witness. If the case cannot be proved without calling him as a witness, please nolle the case. If the case can be proved without Officer Dailey's testimony you should proceed on the

case.

If you have a case where we cannot proceed without Officer Dailey's testimony and the case is a violent crime, involves death or serious bodily injury, or is a case where you or your ASAs feel that the case should go forward please contact Fabio or me prior to taking any action. Also, please have your ASAs keep track of how many of Officer Dailey's cases they have and how many of those cases were dismissed.

If you or your ASAs have any questions, please call me. Thank you.
